Section 3: UNSAFE CONDITIONS

If an employee has reason to believe that abnormal conditions make completion of a job assignment hazardous, the employee must immediately, or as soon as reasonably possible, advise the supervisor, in writing, of any unsafe equipment or conditions or work. The Supervisor will promptly investigate and, if necessary, correct any work condition reported as hazardous by the employee.

Section 4: BARGAINING UNIT WORK

Except as provided in Article 11 – Subcontracting. The Employer agrees that work traditionally performed by personnel in the bargaining unit shall continue to be performed by personnel in the bargaining unit. This section shall not limit occasional work by non-bargaining unit personnel. Non bargaining unit personnel, including supervisory staff, may be used for the purpose of filling temporary vacancies, assisting bargaining unit members in order to complete time sensitive tasks; or providing back-up
assistance for absences. This shall not result in displacement of bargaining unit employees.

**Section 5: ADEQUATE TIME**

The Employer shall provide adequate time for employees to complete their work. Whenever measurable considerations clearly indicate an increase in overall workload, the Supervisor shall consider such options as: (1) redistribution of work; (2) deferring additional work; (3) authorizing overtime; and (4) other appropriate methods.

**Section 6: DISTRIBUTION OF WORK**

Work shall be distributed among employees as equally as the Employer's operation permits. In order to provide employees with a reasonable opportunity to provide input into changes that affect them, reorganizations of the employer's operation shall be communicated to the employees affected fourteen (14) calendar days prior to implementation and shall be subject to further discussion at Labor Management Committee meetings.

**Section 7: EQUIPMENT**

The Employer shall provide employees with the adequate tools, instruments and equipment which are necessary and conducive to accomplish the successful completion of their assigned duties.

**Section 8: JOB DESCRIPTIONS**

The Employer shall furnish each employee with a job description of the employee's classification. At their annual review, employees may request in writing that their job description be reviewed if they believe the job description no longer reflects the work being performed. A copy of any new or revised job description will be given to the employee and a copy sent to the Union for informational purposes.

**Section 9: MEDICAL EXAMINATIONS**

The Employer has the right to require medical/physical examinations by a licensed medical doctor for all employees covered by this Agreement when disability issues involving adaptation of work place facilities or job duties may be required.

**Section 10: BILINGUAL STIPEND**

Employees assigned by their supervisor as interpreters will be compensated fifteen dollars ($15.00) each time they are assigned to utilize this additional skill. Compensation under this provision will be limited to seventy five dollars ($75.00) per month as approved by their supervisor.
Section 11: GARNISHMENTS

The Bellingham Housing Authority needs a Garnishment Policy because wage garnishments and liens place an administrative expense, burden and liability on the employer.

If a garnishment or lien is received by the BHA, the employee will be notified by Human Resources. The employee will be referred to mandatory credit counseling for a first or existing garnishment. EAP counseling may be advised. A one-time grace period of six months will be given for the employee to implement changes necessary to keep from receiving further garnishments.

If another garnishment on the employee’s wages is received after six months, a written warning may be issued. Three wage garnishments on an employee’s wages received within twelve consecutive months for three separate debts, excluding any garnishments or liens received during this one-time, six-month grace period, may result in progressive disciplinary action, up to and including termination.

If the garnishor requires a one-time payment, a $20 check will be submitted to BHA. If the lien is continuing, $20 will be deducted from the remainder of the employee’s earnings after withholding the required amount under the writ. Thereafter, the employer can deduct only $10 when submitting a second answer to the writ.

For garnishments for child support, BHA will charge employees up to a $10 fee for the first withholding and no more than $1 for each subsequent disbursement to the Division of Child Support Enforcement. These fees will be deducted from the employee’s remaining income after withholdings for child support are made.

Exceptions to this policy will be made for garnishments due to major medical emergencies and major home catastrophes.

Section 12: JOB AUDIT

A job audit will be conducted when Human Resources receives a written request that there has been a substantial and permanent change in the duties and responsibilities since the last significant revision of a job description or last job audit review. The employee, department head, or the Administrative Services Manager may request the review. The request should be submitted using the appropriate form with a justification for the request that includes the following information:

New duties and responsibilities assigned on a continuing basis must be identified. Other inaccuracies in the job description must be specifically pointed out. If the job description does not reflect essential and significant duties assigned on a regular and recurring basis, the employee must clearly identify those duties. The reasons for believing the job may be classified incorrectly should be clearly stated.

The department head or designee will review the justification and discuss it with the employee. The department head will complete his/her section of the job audit request.
form to ensure the description is accurate and up to date. A copy of the comments will be provided to the employee. The department head will forward the job audit request form to the Administrative Services Manager within thirty days of receipt from the employee.

The Administrative Services Manager will review the request and make a recommendation to the ED/CEO if a new job description is necessary and/or if the job is accurately classified. The review may include a desk audit or discussion with the employee and the supervisor and/or department head.

The ED/CEO’s decision, with an explanation for the findings, will be provided to the employee and the department head within six months of the date the complete audit request was submitted to Human Resources. If the decision supports reclassification and the decision is to upgrade, the pay action will be effective the date the request was received in Human Resources. If the decision is to downgrade the position, the employee will retain pay but will not receive any further increases until the incumbent’s pay is within the salary range for the reclassified position.

A job audit request will not be submitted more than once in any consecutive two-year period.

At any time in this process, if it is found that the employee is being assigned or performing higher grade duties which change the wage grade of the position, such duties may be withdrawn based on budgetary limitations or sound position management principles. If the decision is to continue to assign the duties to the employee, the position description will be revised to reflect the duties and appropriate changes in the classification will be effected.

The ED/CEO’s decision shall not be subject to the grievance procedure.

**ARTICLE 11: SUBCONTRACTING**

The Board reserves the right to make any and all contracts permitted under law which in its sole discretion it deems appropriate. The Employer shall not contract for services presently provided by its bargaining unit employees except when (1) existing operations cannot feasibly and/or economically continue to be performed by existing employees and (2) when a reduction in operating costs can be accomplished. In order that the Union have an opportunity to respond, the Employer shall notify the Union in writing at least (30) days in advance of awarding any contract that would reduce employment to employees in the bargaining unit. This notice shall state the reason, nature and scope of the proposed contract. Prior to the Board action on any such contract the Union will be granted an opportunity for a public hearing by the Board in order to present its concerns regarding any such proposal to contract services performed by members of the bargaining unit.

Part time employees who are scheduled to work 1040 hours or more during the year shall be entitled to receive paid vacation per the full time employee schedule prorated as to hours worked.

Section 3: ACCRUAL CALCULATION

Vacation rights enumerated above shall be based upon an employee's anniversary date (original date of hire) and an employee shall receive the regular rate of pay which said employee would normally be paid.

Section 4: VACATION SCHEDULING

After one (1) month of continuous employment, employees may schedule and take vacation to the extent that they have already earned such days.

Employees shall submit written vacation requests to their Department Head. Vacation requests will be approved by the Employer, subject to work coverage requirements. Usage of vacation days must be scheduled in advance.

Except as limited above, a written request for vacation of longer than five (5) days duration will be approved if the request is received at least thirty (30) days prior to the first day of the requested vacation. A written request for vacation of less than five (5) days must be submitted one (1) working day prior to the first day of the requested vacation. Emergency requests for vacation usage will be handled on a case by case basis.
Section 5: VACATION ACCUMULATION

Vacation days earned in a twelve (12) month period may be accrued and used in the next twelve (12) month period. Accrued vacation days that are not used during the second twelve (12) month period will be forfeited by the employee.

Any accrued vacation days which, when combined with the available number of unused sick leave days, exceed the 240 hours limitation as provided for in Article XIV, Section 6, may be taken as vacation prior to retirement, and shall not under any circumstances be credited in such a way as to increase that employee’s retirement benefits in a manner that requires additional payment by the Housing Authority.

Section 7: INCLEMENT WEATHER

Employees excused by their Supervisor from reporting to work due to inclement weather will have the option of either making up the missed time with the approval of the Supervisor, using accrued vacation, using compensatory time, using their personal holiday, or taking a leave without pay.

ARTICLE 14: ILLNESS, INJURY AND EMERGENCY LEAVE, BEREAVEMENT LEAVE, AND JURY DUTY

Section 1: ILLNESS, INJURY AND EMERGENCY LEAVE

Any employee shall be authorized accumulated Illness, Injury and Emergency leave as hereinafter provided, for the following reasons:

D. Employees will exercise discretion in scheduling doctor appointments. Normally, such appointments should be scheduled at times the Housing Authority is closed to the public.

E. The Employer may, if the absence is over five (5) days duration or in the event he/she sees a pattern of regular, excessive, or unusual absences, require certificate and proof of the disability from the employee's doctor or licensed health care practitioner. However, if the absence is for an FMLA qualifying event, the Employer may require a medical certification after three (3) days.

F. Supplemental compensation when an employee is receiving benefits under worker's compensation insurance, up to the amount of the employee's normal rate of pay.

G. The emergency portion of this section shall be granted as defined in the following:

1. The problem must have been suddenly precipitated or must be of such nature that preplanning could not relieve the necessity of the employee's absence;

2. The problem must be of major importance and not a mere convenience;

3. It is not the intention of this provision to provide extension of vacations and/or holidays. If, however, due to problems outside the employee's control, an Emergency Leave day(s) is needed immediately preceding or following a vacation and/or a holiday, then such leave shall be granted so long as Illness, Injury and Emergency Leave is available.

Section 2: FULL-TIME EMPLOYEE ACCRUAL

Cumulative sick leave with pay shall be earned at the rate of one (1) working day of paid leave for each calendar month of service, to a maximum of one hundred and eighty (180) days.

Section 3: PART-TIME EMPLOYEE ACCRUAL

This election must be made during the month of January, and such special vacation days must be taken before December 31 of the same year.

Section 6: RETIREMENT/DISABILITY/DEATH CASH OUT

Upon retirement or permanent disability, the employee shall be entitled to a credit equal to twenty-five percent (25%) of the accumulated sick leave value up to a maximum accrual of one hundred and eighty (180) days. The employee will be paid a lump sum based upon the employee’s current rate of salary. In case of the death of the employee, the employee’s estate shall receive a lump sum payment equivalent to the above formula.

Any employee who utilizes this benefit during the life of this Agreement may cash out a maximum total of 240 hours of combined unused sick leave (as provided above) as well as unused vacation (per Article 13, Section 6 above). Any accrued vacation days which, when combined with the available number of unused sick leave days, exceed the 240 hours limitation, may be taken as vacation prior to retirement, and shall not under any circumstances be credited in such a way as to increase that employee’s retirement benefits in a manner that requires additional payment by the Housing Authority.

Section 7: JURY DUTY

Employees called to jury duty or subpoenaed to attend court in a matter not related to the Housing Authority shall be paid leave for the necessary time required.

The Employee shall submit a certificate from the Court Clerk indicating the time spent and the amount of compensation received for the service, which amount (excluding mileage paid) shall be deducted from the employee’s salary.

Employees shall immediately notify their supervisor of the call to jury duty and, when possible, furnish a statement of the anticipated duration of such service.

Foster relations shall be defined as individuals for whom the employee acts as a full time caregiver, or a parent substitute or guardian.
In the event of the death of other relatives of the employee or the employee's spouse not defined as immediate family, a maximum of one (1) day of bereavement leave may be taken. An additional three (3) days may be taken when it is necessary for the employee to travel outside the state of Washington.

Four (4) hours of bereavement leave may be used to attend the funeral of a friend or acquaintance with a maximum of two (2) occurrences per year. Additional occurrences may be approved and deducted from sick leave.

Section 9: SICK LEAVE SHARING

Employees may donate accrued sick leave to a fellow employee who is suffering from an extraordinary or severe illness or injury which has caused or is likely to cause the employee to take leave without pay or terminate his/her employment. Any such donation of sick leave shall be subject to the following provisions:

A. Donating employees must retain at least 240 hours of accrued sick leave,

B. Donating employees may donate up to 40 hours of sick leave per year,

Employees will be allowed leave without pay for military service, which does not exceed a period of one (1) calendar month.

Section 4: EXTENDED ABSENCE

When an employee has used all accumulated sick and annual leave and it appears that the employee probably shall be able to return to work within the reasonable future, the Executive Director may grant an extension of absence.

Section 5: INDUSTRIAL ACCIDENT/ILLNESS

For a period of absence from work due to injury or occupational disease resulting from an employee's employment with the Employer, the employee shall file claim for Industrial compensation.

The Employer agrees to prorate an employee's sick leave and/or accumulated vacation, at the employee's request, to supplement Industrial Insurance compensation so that both combined will equal the employee's regular salary. This shall begin as of the first (1st) day of absence from work.

Any employee who qualifies under Industrial Insurance shall be granted up to eighteen (18) months leave as justified for recovery from injury and/or illness causing said qualification.

Section 6: UNION LEAVE

The Employer will use such funding to develop a normalized amount by medical census group (as described in the table above), subject to discussion in Labor Management, that equalizes co-premium costs such that each census group is provided the same level of funding from the Employer.

Plan administration and procedural matters, such as claims adjustment, the receipt of second opinions, required outpatient surgery, shall not constitute significant change.

The Employer will make available Hepatitis B Vaccine (HBV) to custodial, maintenance and inspection personnel, at the sole option of any employee desirous of such treatment.

**Section 2: Life Insurance**

The Employer will purchase a group life insurance policy for members of the bargaining unit that will provide a benefit equal to one year’s salary upon the death of an employee.
Section 3: DISABILITY INSURANCE

Effective as soon as practicable after ratification, the Employer will purchase a group long term disability policy for members of the bargaining unit that is equal to the same benefit provided exempt employees.

Section 4: VEBA

The Employer shall contribute fifty dollars ($50.00) per month toward each employee's VEBA account. Upon separation, the Employer shall contribute an amount equal to twenty five (25%) of the value of an employee's unused sick leave balance into a Health Reimbursement Account (VEBA), provided that the separation of employment was not due to gross misconduct or the employee failed to give at least two (2) weeks notice of resignation.

Section 2: TERMINATION OF SENIORITY

The seniority rights of an employee shall be lost for the following reasons:

A. Resignation;

B. Discharge for just cause;

C. Retirement;

D. Break in service of longer than thirteen (13) months.

Section 3: PROCEDURE FOR EMPLOYEES ON LEAVE

Any employee on an authorized leave of absence or on extended sick leave who has given the Employer written notification of an interest in certain types of positions shall be mailed a copy of the posting at the time it is posted, provided that the employee notifies the Employer of any change of address.

Section 4: TRIAL PERIOD

All promoted employees shall be given a ninety (90) workday trial period during which time they shall be formally evaluated. Failure of the employee to meet the job requirements may, at the discretion of the Employer, cause the employee to be returned to his/her former position.

ARTICLE 20: LAYOFF AND RECALL

Section 1: EMPLOYER DECISION

In the event the Employer decides to implement a reduction in force, the following procedure will be utilized in selecting personnel to be released from employment. Specific written reasons for the reduction in force will be given to the Union.

Section 2: SENIORITY RIGHTS

Seniority shall be defined as per Article 18 - Section 1. Staff reduction shall be determined according to seniority with dismissal beginning with the employee with the least seniority within the job classification.

Section 3: REDUCTION IN FORCE PROCEDURES

Further, seasonal or temporary employees working in the same job classification shall be laid off before any entry level probationary employee is laid off. In effecting any reduction in force of regular employees, lay off order will be determined by Section 2 above.

If no position is available in the laid off employee's current job classification and his/her qualifications are relatively equal to the job related qualifications of an employee who occupies a position in another classification, the laid off employee's seniority, at his/her option, shall prevail.

Section 4: RECALL RIGHTS

Employees laid off due to this procedure shall remain in a re-employment pool for thirteen (13) months from the last date of employment with the Authority; provided that, the employee provides quarterly written notification of his/her continued desire to remain
in the re-employment pool.

Employees in the re-employment pool shall be recalled to available positions for which they are qualified according to their seniority.

**Section 2: CRITERIA**

In evaluating employees, the Employer will use consistent criteria and standards which are directly related to the employees' job duties.

**Section 3: IMPROVEMENT PLAN**

Failure of the employee to substantially improve his/her performance during the subsequent evaluation period may cause the employee to be disciplined.

**ARTICLE 22: PERSONNEL FILES**

**Section 1: EMPLOYEE RIGHTS**

Employees will be given a copy of all material added to the personnel file at the time such is added to the file. Each employee or his/her designated Union representative will have the right, upon request, to review the contents of his/her personnel file, with the exception of initial employment letters of reference. An employee must provide his/her written consent to the Employer before disclosure of his/her written record will be made to a designated representative, other than that required by law.

An employee or his/her designated representative may obtain copies of the documents made available under this Section. No record, file or document pertaining to an
employee will be made available to any unauthorized persons for photocopy or inspection.

Section 3: COMPLAINTS

All warnings shall expire eighteen (18) months from the date of issue; however, they shall remain in the employee’s file for historical reference purposes. Except that discipline resulting in a suspension shall not expire for thirty six (36) months. This Section shall not apply to probationary employees.

ARTICLE 23: GRIEVANCE AND ARBITRATION PROCEDURE

Section 1: GRIEVANCE PROCEDURE

A. Purpose. The purpose to this procedure is to provide an orderly method of resolving grievances. A determined effort shall be made to settle such differences at the lowest possible level in the grievance procedure. Meetings or discussions involving grievances shall be scheduled at mutually agreeable times.

B. Definitions.

1. GRIEVANT -- A grievant is an employee, or in the case of the union's contractual rights, the union.

2. GRIEVANCE -- A grievance is defined as a dispute involving the interpretation or application of the specific terms of this Agreement.

3. DAYS -- Days in this procedure are normal Housing Authority office work days.

C. Timelines. Grievances shall be processed in the following manner and within the stated time limits. Time limits provided in this procedure may be extended only by mutual written agreement.

Failure on the part of the Authority at any step of this procedure to communicate the decision on a grievance within the specific or mutually extended time limits shall permit the grievant to lodge an appeal at the next step of this procedure.
Failure of the grievant (employee or union) to present or proceed with a grievance within the specified or mutually extended time limits will render the grievance waived.

D. Representation. The grievant may waive the union's involvement in the procedures at any step. If the grievant elects not to have union representation, the union shall have the opportunity to be present at the adjustment of the grievance and to make its views known or shall receive the same written responses provided to the grievant.

E. Process.

Step 1: Informal Level. Informal Submission of Grievance to Supervisor. Within ten (10) days following the occurrence of the event giving rise to the grievance, or ten (10) days after the event is known or reasonably should have been known, the employee shall attempt to resolve the grievance informally with the immediate supervisor. The immediate supervisor shall respond informally within ten (10) days of the employee's presentation.

Step 2: Executive Director Level. Written Submission of Grievance to the Executive Director.

a. Individual Grievance

If the grievance is not settled at Step 1 and the employee wishes to pursue the grievance to Step 2, the employee must file the grievance in writing within ten (10) days after receipt of the immediate supervisor's informal response in Step 1 above. Upon receipt of any Step 2 grievance, the Executive Director shall have the discretion to refer the grievance to mediation. Such referral shall be binding upon the employee and the union. The Employer shall pay the cost of the mediator. If the grievance is not resolved at the mediation, or if the grievance is not referred to mediation, the Executive Director or his/her designee will review the grievance with the parties involved and provide a written statement of the disposition to the employee with a written copy to the union, within ten (10) days following the hearing. In the event the grievance proceeds to arbitration, no record of the mediation will be provided to the arbitrator or used at the arbitration.

b. Union Grievances

A grievance which the union may have against the Authority, limited as aforesaid to matters dealing with the interpretation or application of terms of this agreement relating to union rights, shall be commenced by filing in writing (in the format of Step 1 above) with the Executive Director. Such filing shall be within ten (10) days following the occurrence of the event giving rise to the grievance or ten (10) days after the event is known or reasonably should have been known. The Executive Director or his/her designee, and the union will have ten days from the receipt of the grievance to resolve it.
Step 3: Board Level

If no settlement is reached in Step 2, an employee (in the case of an Individual Grievance) or the union (in the case of a Union Grievance) may request that the matter be submitted to the Housing Authority Board as hereinafter provided:

a. Written notice of a request for review by the Board shall be made to the Executive Director within ten (10) days of receipt of the disposition letter at Step 2.

b. The Board shall have thirty (30) days from the receipt of request for review to resolve the grievance. The Board, at its option, may choose to conduct either a formal or an informal review of the grievance. The Board, at its option, may choose to call upon employees, union representatives, and others, to appear as witnesses.

In order to expedite the grievance, the Board, at its option, reserves the right to waive this Step of the Grievance Procedure. If the Board chooses this option, it will immediately inform the Union of its decision and the Union may proceed to Arbitration within the timelines contained below.

c. The Board will provide a written statement of the disposition to the employee and the union (in the case of an Individual Grievance) and to the Union (in the case of a Union Grievance) within the thirty (30) day time period provided in (b) above.

Section 2: ARBITRATION PROCEDURES

If no settlement is reached in Step 3, the union may request that the matter be submitted to an arbiter as hereinafter provided:

A. Written notice of a request for arbitration shall be made to the Executive Director within ten (10) days of receipt of the disposition letter at Step 3.

B. Arbitration shall be limited to issue(s) involving the interpretation or application of specific terms of this Agreement.

C. In the event such notice is served, the parties shall attempt to select an arbitrator. Failing to do so within 30 days of the notice, they shall request a panel of seven (7) qualified arbitrators to be furnished by the Federal Mediation and Conciliation Service. Selection of the arbitrator shall be by the Employer and then the Union alternately striking a name from the list until only one (1) name remains as the arbitrator chosen.

If either party is dissatisfied with the credentials of the panel, such party can summarily reject the panel and insist on a second panel. Selection must be made from the second panel.

The parties mutually agree that it is to their mutual advantage to have the arbitrator selected and his/her decision rendered as quickly as possible. To that extent, both the Employer and the Union agree that the selection of the arbitrator shall be made
with no undue delay and further that the parties will cooperate fully and completely in presenting facts and arguments to said arbitrator as expeditiously as is possible, and in no event, later than 180 calendar days following selection of the arbitrator unless an extension is agreed to by all parties.

D. Arbitration proceedings shall be in accordance with the following:

1. The arbitrator, once appointed, will inform the parties as to the procedures which will be followed.

2. The arbitrator shall hear and accept pertinent evidence submitted by both parties and shall be empowered to request, through subpoena if necessary, such data and testimony as the arbitrator deems pertinent to the grievance and shall render a decision in writing to both parties within thirty (30) days, unless mutually extended, of the closing of the record.

3. The arbitrator shall be authorized to rule and issue a decision in writing on the issue(s) presented for arbitration which decision shall be final and binding on both parties.

4. The arbitrator shall rule only on the basis of information presented at the hearing and shall refuse to receive any information after the hearing except by mutual agreement.

5. Each party to the proceedings may call such witnesses as may be necessary in the order in which their testimony is to be heard.

The arguments of the parties may be supported by oral comment and rebuttal. Either or both parties may submit written briefs within a time period mutually agreed upon. Such arguments of the parties, whether oral or written, shall be confined to and directed at the matters set forth in the grievance.

6. Each party shall pay any compensation and expenses relating to its own witnesses or representatives, regardless of the outcome of the arbitration award or who is determined to be the prevailing party.

7. The arbitrator shall specify in the award that the Authority or the Union, whichever is ruled against by the arbitrator, shall pay the compensation of the arbitrator including necessary expenses.

8. The total cost of the stenographic record, if requested, will be paid by the party requesting it. If the other party also requests a copy, that party will pay one-half (1/2) of the stenographic cost.

E. **Binding Effect of Award:** All decisions arrived at under the provisions of this article by the representatives of the Authority and the union at Steps 1, 2, 3, and 4, or by the arbitrator, shall be final and binding upon both parties, provided, however, that in
arriving at such decision neither of the parties or the arbitrator shall have the authority to alter this Agreement in whole or in part.

F. **Limits of the Arbiter**: The arbitrator cannot order the Authority to take action contrary to law.

G. **No Duty to Maintain Status Quo**: The Authority has no duty to maintain the status quo or to restore the status quo pending arbitration. But if, return to the status quo is ordered by the arbitrator, the return shall be affected as per the arbitrator's award.

H. **Freedom from Reprisal**: There will be no reprisals against the grievant or others as a result of his/her participation in this process.

**ARTICLE 24: GENERAL CONDITIONS**

Section 1: **SAVINGS CLAUSE**

Any clause in this Agreement that is in conflict with any federal or state law and/or regulations now in existence or any laws or regulations that may hereafter be passed by regular constituted authorities shall be amended to conform to such laws.

Section 2: **JUST CAUSE**

No employee shall be disciplined without Just Cause. The parties agree that some infractions are so serious as to rise to the level of Gross Misconduct, in which case, termination would be appropriate. However, at management's discretion, a less severe discipline may be implemented for an instance of gross misconduct. Gross misconduct shall include:

- Sexual, racial or other discrimination or harassment which is extreme, continued and pervasive and results in a hostile work environment
- Violation of the Drug and Alcohol policy – excluding possession of closed alcohol containers in employee vehicles or offices
- Gross immoral conduct (including but not limited to; physical altercations at work, theft, purposeful falsification of records)
- Any felonious act while on the job, or off the job if the act would jeopardize the safety of employees or BHA clients

In all other cases of discipline, the Employer shall utilize appropriate progressive discipline, which shall include documented verbal warnings, written reprimands, working suspensions (at the discretion of the employer), suspension without pay, and termination. It is understood that depending on the severity of the offense, it may be appropriate to skip steps in the progressive discipline process.
Section 3: TERMINATION

Termination of employment with the Housing Authority for other than disciplinary reasons shall require not less than fifteen (15) days notice except in cases of just cause immediate termination as stated in Section 2 above. In any case, the Union Organizer/Representative will be immediately notified in writing. Any grievance initiated as a result of a termination shall be filed at Step 2 of the grievance procedure.
