Any such election shall be made by written notice to the Employer payroll officer during the month of January. - B. **Layoff/Reduction in Hours.**
  1. **Layoff Provision--Guidelines.** In the event that the Employer resorts to staff reduction, the following guidelines will be observed in selecting the personnel to be released from employment:
    - a. The number of employees to be laid off or reduced in hours will be established by the Employer.
    - b. Staff reduction will be determined on the basis of total Employer seniority in all classifications covered by this bargaining Agreement (layoffs or a reduction in hours shall begin with the employee with the least seniority).
    - c. When a choice is made between two or more employees with equal seniority, selection will be made on qualifications, and when qualifications are relatively equal as determined by the Employer, the selection will be made by lot. Lot selections may be observed by both parties--the Union representative and management representative.
    - d. The District shall endeavor to meet with affected employees and provide written notification of layoff. If the parties are unable to meet in person, the District will send written notification via certified mail. Notification will be no less than thirty (30) calendar days prior to the date of layoff.

  2. **Bumping Under Layoff or School Closure.** Those employees who do not have an assigned position by reason of job elimination through school closure or other staff reductions may use seniority for purposes of bumping less senior employees with the following limitations:
    - a. Bumping shall be confined within the specific department (custodial, food service drivers or warehouse employees). Bumping shall not occur between/among these three departments.
    - b. No employee shall be permitted to bump into a higher job classification.

- c. When an employee has been bumped from his/her present job title, he/she may, by reason of seniority, bump into a job title formerly held within the specific department as defined above, provided his/her seniority is greater than the employee in that job title with the least seniority, and provided the employee possesses the skill and qualifications to perform the job responsibilities.

Such employment offers shall be on the basis of seniority. Any employee who refuses employment at a level previously held shall forfeit all rights to any further such offers.
  - b. When laid off, an employee shall within twenty (20) calendar days make application for rehire/recall and shall notify the Employer's Human Resources Division in writing of continued interest in re-employment every ninety (90) calendar days in order to retain his/her rehire/recall rights pursuant to this Article.

  - g. Employees shall remain on the recall list for two (2) years from date of the layoff.

<b>ARTICLE XIII — SALARY SCHEDULE</b>
---------------------------------------

Without endeavoring to prejudice future developments, the parties acknowledge that the salaries provided will require the expenditure of substantial Employer resources and may possibly entail a reallocation of priorities with an attendant impact upon elements of the overall educational program, including possible reductions in staffing levels.

**Salaries.** Salaries for employees subject to this Agreement, for the 2019-2020 school year, are contained in Appendix 1 of this Agreement.

Should the Legislature authorize a percentage adjustment for any school year during the contract term, the salary schedule contained in Appendix 1 shall be increased by the same percentage effective upon School Board approval of this Agreement.

Between January 1 and March 31, for the duration of the contract, the salary schedule, including the substitute Custodian rate, will be adjusted pursuant to the following formula:

The District will ascertain the average total compensation wages, vacations, and holidays based on a sixth (6) year employee at eight (8) hours per day using comparison districts that have the same funding regionalization factor as the Edmonds School District. For the 2019-2022 contract years those districts are Auburn, Bellevue, Kent, Highline, Lake Washington, Marysville, Northshore, and Renton. For the 2022-2023 contract year those districts are: Everett, Lake Washington, Marysville, Mukilteo, Northshore, Shoreline, and Snohomish. As a result of the study, if wages are below the average wage, then the salaries contained in Appendix 1 will be adjusted on September 1, in a manner mutually agreed to by the Union and the District.

- B. When and while the Warehouse Expeditor is to assume the full responsibilities due to the absence of the Warehouse Manager (on vacation or out of the district), the Warehouse Expeditor shall receive compensation equal to the Truck Driver Warehouse hourly rate of pay plus fifty (.50) cents per hour differential.

Eligibility for longevity pay will be measured and begin on September 1 of each year.

The clothing allowance shall increase to five hundred fifty dollars (\$550.00) for annual payments on or before December 1 of 2020. The clothing allowance shall increase to five hundred seventy five dollars (\$575.00) for annual payments on or before December 1, 2021. New employees hired after September 1 but before February 1 of a given year will receive a pro rata portion of the clothing allowance for that fiscal year based on their start dates. New employees hired after February 1 will not receive any portion of the clothing allowance until the allowance is paid the succeeding fiscal year.

Any changes in this Agreement shall be with the knowledge and consent of the School Board.

The Custodians, Food Service Drivers, and Warehouse Employees Labor Management Committee shall decide utilization of Training and Staff Development funds. In the event the Labor Management Committee cannot reach a decision, the Committee may seek assistance from Human Resources and the Union Staff Representative. If decisions for the use of the training funds have not been reached by March 15, and there are unused funds that would otherwise be returned to the District's general fund, the use of such funds may be determined by the District.

- D. A joint Labor Management Committee shall be established. The Committee shall consist of representatives from the Employer and the Union. The Union may select up to six (6) representatives, and the Employer may identify up to six (6) non-bargaining unit representatives. The purpose of the Committee shall be to meet and discuss topics of mutual interest. These meetings will be scheduled during normal business hours. Employees shall suffer no loss of pay for time spent in meetings, provided no overtime will be paid.

4. Pursuant to RCW 28A.400.275, the parties agree to abide by state laws relating to school district employee benefits. The parties acknowledge that the above insurance agreement is for a term of one year, subject to automatic extension for the ensuing year in the absence of written notice otherwise by one party to the other prior to May 1 of each year.

#### **ARTICLE XVII — SAVINGS CLAUSE**

It is the intention of the parties hereto to comply with all applicable provisions of the state and federal law, and they believe that each and every part of this Agreement is lawful. All provisions of this Agreement shall be complied with unless any of such provisions shall be declared invalid or inoperative by a court of final jurisdiction. In such event, either party may request renegotiation of such invalid provisions for the purpose of adequate and lawful replacement thereof.

**ARTICLE XVIII — LENGTH OF AGREEMENT**

This Agreement, when adopted by the Board of Directors, Edmonds School District, shall become effective on September 1, 2019 and will remain in force through August 31, 2023.

This agreement may be reopened and modified at any time during its term upon mutual consent of the parties in writing.

That in turn can call for District consideration of operational changes and/or financial adjustments. Accordingly, the parties agree that, in the event of financial distress that may warrant modification of the Agreement, they will upon request enter into good faith negotiations, over the impact of the financial distress, with a view to potential modification of the Agreement.

In the event of a change in state funding, changes in local levy authority as a result of state legislative actions, changes in how levy funds may be spent, or double levy failure, either party shall have the option to reopen this Agreement to negotiate the provisions of the Agreement. Such reopening shall be in writing. Within ten (10) days of such notice, the parties shall begin negotiations on an expedited basis.

It is understood that this Agreement represents the total of negotiations and agreements for the life of this Agreement and both parties agree that no subsequent negotiations shall take place during the life of this Agreement, unless mutually agreed upon by both parties.
