The District and all agents and representatives of the District shall remain neutral on the issue of union membership and respect each employee's decision whether to join and maintain membership in the Union.

Section 2.1.2 Union Membership Rescission. Union members requesting to rescind membership and membership rights in the Union shall make such request in writing to the Union, following the Union's constitution and bylaws, and any and all relevant conditions, policies and procedures. Section 2.1.3 Non-Interference. The District remains committed to its obligations under collective bargaining laws, including chapter RCW 41.56. These commitments include recognition that it would be an unfair labor practice "to interfere with, restrain, or coerce public employees in the exercise of their rights guaranteed by this chapter" or "to control, dominate, or interfere with a bargaining representative." RCW 41.56.140. The District agrees to reinforce with its administrators and supervisors the importance of these obligations.

Section 2.2 Dues Deduction

Section 2.2.1 Authorization. Upon receiving notice of the employee's authorization from the Union, the District shall deduct from the employee's salary membership dues and any additional amounts the employee voluntarily authorizes for deduction for political purposes (COPE), then remit the amounts to the Union monthly. The employee's authorization remains in effect until expressly revoked by the employee to the Union, and the Union provides notice to the District.

Section 2.2.2 Dues and COPE Deduction. The Union shall notify the District of updates, additions, and/or other changes in membership status on at least a monthly basis. Employees will be compensated at their hourly rate if meetings are scheduled outside of their regularly assigned hours.

ARTICLE 6

Probation Period

Section 6.1 All new employees subject to this Agreement will be on probation for the first ninety (90) working days of employment. During this period, the employee will be evaluated by their immediate supervisor. Regarding the three additional work days, building principals will schedule two preparation days during the August LEAP week. One (1) day will be for classroom or building preparation focused on IA assignments as directed by their building administrators and one (1) day may be used for building training or additional classroom preparation as determined by the building administrators. Section 7.4.1 For the 2019-2020 school year, in accordance with the state's Paraeducator Certificate Program, Fundamental Course of Study (FCS), all Instructional Assistants and Extended Day Instructional Assistants will receive fourteen (14) hours of mandatory training. Each employee will be directed to register for seven specific classes, lasting two (2) hours each, with the Professional Learning Department. A schedule of these classes will be provided to employees in advance, and the classes will be conducted at various times, dates, and locations. Each staff member shall complete all seven classes prior to June 1, 2020. If an employee is attending a class outside of normal work hours or approved eLearning opportunities, they will be compensated at their regular hourly rate of pay for that time.

Should the State continue to require Paraeducator Certificate Program training beyond the 2019-2020 school year, the parties will meet to determine implementation for additional years.

Should the State determine to discontinue the Paraeducator Certificate Program, the parties will meet to discuss professional learning moving forward.

Section 7.5 Extra Help and Overtime. When building administrators and supervisors determine that a need exists for extra help or overtime during peak work periods, they shall initiate requests through their appropriate directors. Such requests shall be given immediate attention. Upon written request from the Union, the District will identify the budget sources used to fund peak work load periods for the school year.

Section 7.7 Mandated Training. The District is willing to discuss implications of any federal or state mandated training for employees when the mandate is made. This topic is appropriate for periodic meetings held between the District and the Union.

ARTICLE 8

Work Day

Section 8.1 Work Day. The length of a work day within a department or building shall be that period of time designated by the supervisor of the department or building, not to exceed eight (8) hours and to be scheduled Monday through Friday. Flexible work hours shall be allowed where there is no disruption of the work place as determined by the building principal/supervisor.

Section 8.2 Lunch Period. The length of the employee's lunch period, which shall be unpaid, free of duty, and not less than one-half (1/2) hour, shall be determined by the supervisor and will be in addition to the work day. Technical Support Specialists may elect to take such unpaid duty-free lunch for a period of one-half (1/2) hour or one (1) hour provided that such election is made for the school year and does not interfere with appropriate coverage. Only those employees working four (4) hours or more per day shall receive a lunch period. The supervisor may under unusual circumstances require the employee to work through his or her scheduled lunch period. An employee who is required to work through the meal period shall be compensated for such time at the overtime rate of one and one-half (1 ½) times their rate of pay.

Section 8.3 Rest Periods. Employees working from three (3) to six (6) hours per day shall receive one (1) fifteen (15) minute rest period scheduled by the supervisor as part of the paid working day. Employees working more than six (6) hours per day shall receive two (2) fifteen (15) minute rest periods.

Section 8.4 Passing Time. Reasonable time shall be provided in the employee's work day to move from one assignment to the next. In the event an employee is not allotted such time, they may request the Building Administrator's assistance in scheduling this time.

Section 8.4.1 Email Use. Checking work email is a work duty to be done on work time and employees will be provided time within an employee's scheduled workday. This scheduled time will not be adjacent to recess duty. Should employees have concerns, they may request the Building Administrator's assistance in scheduling this time.

Section 8.5 Overtime by Permission Only. Under no circumstance shall the employee work

more than the assigned number of hours per day without the express permission of the building principal or central leadership team member. In the event extra hours are required and approved by the supervisor; compensatory time off or pay shall be granted at the employee's option.

In the event of a delayed schedule, employees are expected to arrive on time for their normal work shift. However, if an employee is not able to make it on time safely, the employee may request an appropriate leave for that missed time. Employees shall communicate with their supervisor if they are delayed or unable to travel to work safely.

12-month employees are still expected to show up for work when possible. In these situations of school delayed start or full day closure, an alternative work location within the District may be provided by the District.

If there is an emergency that causes the entire District to close for students as well as employees, and the District determines that the work days or work time will not be made up by employees, then 12-month employees will receive their regular rate of pay for that time determined.

Section 8.9 Flex Day. Employees may bank up to one (1) work day to be used later in the work year on a day that is mutually agreeable between the employee and the supervisor; preferably when a substitute is not required. Should a substitute be necessary, the cost will be charged to the building budget. Records will be maintained at the building to document when hours were worked and taken.

Section 8.10 Work Day Issues or Concerns Resolution. Employee(s) experiencing a work day issue or concern may fill out a "Work Day Issues and Concerns Form" (Appendix D) to seek resolution. A copy of the form will be submitted by the affected employee(s) to the direct supervisor and the Union President. The immediate supervisor will have ten (10) calendar days to respond. In the event an employee(s) believes the issues have not been resolved, the employee may request a review of the issue through the Labor Management Committee. Section 10.1.5 Reinstatement of Sick Leave. Bereavement leave shall be non-cumulative.

Section 10.5 Temporary Disability Leave

Section 10.5.1 Employees, subject to this Agreement, who are physically unable to perform the functions of their position for medical reasons as determined by a physician, may request a temporary disability leave. Temporary disability leave may be requested for illness, injury, surgery or because of pregnancy or childbirth and may be requested only for the period of actual disability and shall not exceed one (1) year or two (2) years in the event of an on-the-job injury.

Section 10.5.2 The employee shall file the request form with the immediate supervisor to be forwarded to Human Resources. If possible, such request shall be made at least sixty (60) calendar days prior to the proposed starting date of the leave. The actual starting date of the leave, if granted, will be determined as necessary to protect the quality of the instructional and supportive programs, the desire of the employee and the employee's attending physician. The District may require a doctor's certification that the employee is able to continue to work, prior to the temporary disability leave request, without jeopardizing the employee's health or the safety of others.

Section 10.5.3 Expiration of the temporary disability leave shall be when the employee's attending physician confirms the ability of the person on temporary disability leave to resume the duties of the assigned position. The District may, at its discretion and at its own expense, have the employee examined by a doctor of the District's choice at any time.

Section 10.5.4 The position of an employee on a temporary disability leave for a period of sixty (60) working days or less will be filled by substitute employee(s). The position of an employee

on a temporary disability leave scheduled to exceed sixty (60) working days will be filled in accordance with Section 15.1, but specifically only for the period of the leave. Upon expiration of temporary disability leave, the employee will be assigned to the same position or its equivalent if the position no longer exists. Section 10.5.7 The District reserves the right to call for a doctor's certificate of temporary disability at any time for any number of days used in conjunction with this section.

Section 10.6 Leave of Absence

Section 10.6.1 Upon recommendation of the immediate supervisor and approval by the Superintendent or designee, an employee may be granted a leave of absence without pay for a period not to exceed five (5) work days. An employee returning from such a leave of absence shall be reinstated to the position held at the time the request for the leave was approved without loss of seniority or benefits (i.e., personal business, union business).

Section 10.6.2 Upon recommendation of the immediate supervisor through administrative channels to the Superintendent and upon Board approval, an employee working twenty (20) hours per week or more may be granted an extended leave of absence without pay for a period not to exceed one (1) year. Applications for such leave must be made in writing on a form supplied by the District on or before April 15 of the school year immediately preceding the year in which the leave is to occur. Under unusual circumstances the employee may file a written request with the Superintendent or designee for exception to the April 15 deadline.

Section 10.6.3 An employee returning from an extended leave of absence of sixty (60) work days or less will be reinstated in the same position held prior to the leave if the position exists. An employee who returns from an extended leave in excess of sixty (60) work days will be reinstated in a vacant position for which the employee is qualified and that is equivalent in level and hours (secondary/elementary/workgroup) to that held at the time the request for leave of absence was approved; provided that if an employee refuses an offer of such employment the District is released from all obligation under this article. An employee may choose to be reinstated in a vacant position in the same classification/workgroup the employee last held, or in a classification/workgroup the employee previously held for which the employee is qualified, which may be at a lower rate of pay or fewer hours or both.

If an employee voluntarily accepts a position of less status and pay in order to expedite a return to active pay status, the employee shall forfeit all other rights guaranteed in this paragraph, provided that, if an employee who held a PERS position accepts a non-PERS position, he/she shall retain reinstatement rights until such time as he/she is offered a PERS position at his/her level (secondary/elementary/workgroup).

Section 10.6.4 The employee will retain accrued sick leave and other rights extended by the District while on leave of absence.

Section 10.6.5 Vacation leave, sick leave, or other benefits shall not accrue while an employee is on leave of absence.

Section 10.6.6 The employee will receive no credit for salary advancement while on leave of absence.

Section 10.6.7 If an employee on approved leave of absence does not return to work or make contact with the District within four (4) work days following the expiration date of the leave, the employee shall be considered as having resigned without notice and shall be terminated.

Section 10.7 Discretionary Leave. All employees shall earn three (3) regularly assigned days off work as Discretionary Leave at full salary which shall be available for any employee subject to the following limitations:

- the employee shall have received the supervisor's approval at least 24 hours prior to the date requested (except as identified above)
- Discretionary Leave days shall not be charged against sick leave

Employees who do not accrue vacation leave may carryover up to two (2) unused discretionary days by notifying payroll prior to the last day of school; lack of notification will result in a cash-out of any unused days. Cash-out will be at the substitute rate for their job classification; however, at no time may an employee have a balance of more than five (5) discretionary days. Use of three (3) or more discretionary days in a row must be requested and approved at least two (2) weeks in advance and subject to the above limitations that are applicable.

Employees who accrue vacation leave may not carryover unused discretionary days and are not eligible for cashing-out any unused discretionary days.

Section 10.8 Child Care Leave. Any employee may be granted child care leave for up to one (1) year. The request for such leave shall be in writing at least thirty (30) calendar days in advance of the proposed starting date and will clearly state the intended purpose and duration of the leave. Long-term child care leave will be without compensation and District benefits except that the employee will retain all seniority and benefits accrued. Seniority will not accrue during such leave. Employees returning from a child care leave will be placed in accordance with the provisions in Section 10.6.3.

Section 10.9 Vacation Leave

Section 10.9.1 Regular employees (employees who work 4 hours or more per day and are not hired as a substitute) covered by this Agreement will receive one (1) pro-rated vacation day per each month worked to a maximum of twelve (12) pro-rated days per year in accordance with the chart below (years shall mean years in the SEIU bargaining group):

Section 10.9.2 All twelve-month (260+ days) employees eligible for additional vacation allocation in accordance with the chart above will be credited with such additional allocation on August 16th following completion of such qualifying service year.

Section 10.9.3 Vacation time may be carried over to a maximum of eleven (11) days or eighty-eight (88) hours (pro-rated) for employees annually. Vacation shall be scheduled at the request of the employee, subject to the approval of their immediate supervisor.

Section 10.9.4 When twelve-month employees accrue vacation leave, are denied requested vacation leave (excluding requests during identified Black Out Periods) and cannot schedule any such vacation prior to the end of the fiscal year, the vacation days denied as a result of the District's need for the employee's services may be carried over to the following fiscal year. This carry-over will be in addition to the carry-over identified in Section 10.9.3 above. If the unused vacation time is not taken during the subsequent fiscal year, the employee shall be paid for the unused vacation time at the employee's regular rate of pay.

Section 10.9.5 School year employees shall receive their vacation leave as additional compensation paid in even increments pro-rated over the twelve-month period. Employees shall be credited the number of vacation days on the anniversary of their first work day in the bargaining group.

To be eligible for such coverage, the regular employee must work twenty (20) or more hours per week. Such contribution shall first include the full cost of dental insurance and life insurance in an amount equal to the employee's annual salary to the nearest thousand dollars, based on hours of work assigned as of November 1. Section 14.2 Grievance Steps

Section 14.2.1 - Step 1, Oral Discussion. The employee shall first discuss the grievance with his/her immediate supervisor. This shall be done within fifteen (15) work days after the employee should reasonably have knowledge of the occurrence which gives rise to the alleged grievance. A representative of the Union may, at the employee's option, be invited to attend and/or speak in behalf of the employee. Every effort should be made to resolve the grievance at this level in an informal manner.

Section 14.2.2 - Step 2, Grievance Reduced to Writing – Supervisory Level. The employee, within ten (10) work days following the Step 1 discussion, will submit the written grievance to the immediate supervisor for reconsideration, with copies to the Director of Employee Relations. The parties will have ten (10) work days from submission of the grievance to resolve it by indicating on the statement of grievance the disposition and signing it. A representative of the Union shall be given reasonable opportunity to be present and to speak in behalf of the grievant if the grievant so desires, at any meeting or hearing held for the purpose of grievance resolution wherein the aggrieved employee is in attendance.

Section 14.2.3 – Step 3, Next Line Administrator Level. If no settlement has been reached in Step 2, within the specified time limits, and the employee believes the grievance to be valid, the

written grievance shall be submitted by the employee within ten (10) work days to a central leadership team administrator designated by the Superintendent. After such submission, the designated administrator and employee will have ten (10) work days from submission of the grievance to resolve it by indicating on the statement of grievance the disposition and signing it. After such submission, the Superintendent or Deputy Superintendent and the employee will have ten (10) work days from submission of the grievance to resolve it by indicating on the statement of grievance the disposition and signing it. A representative of the Union shall be given reasonable opportunity to be present and speak on behalf of the grievant if the grievant so desires, at any meeting or hearing held for the purpose of grievance resolution wherein the aggrieved employee is in attendance. - D. The District and Union will not be permitted to assert in arbitration proceedings any ground or rely on any evidence not previously disclosed to the other party.

Section 14.3 Time Limits. The number of days within each step is the maximum, and every effort shall be made to expedite the process. Failure on the part of the District or grievant to act within the time limits will move the grievance to the next step automatically. Failure on the part of the Union to submit an appropriate grievance to arbitration shall constitute withdrawal of the grievance. The District and the Union may mutually agree in writing to extend the time limits at any one of the steps.

Section 14.4 Grievance Requirements

Section 14.4.1 Grievance claims involving retroactive compensation will be limited to no more than forty-five (45) days prior to the written submission of the grievance to the District.

- B. Position vacancies within the bargaining unit that cannot be filled by a qualified laid-off employee will be posted in all District facilities for five (5) workdays.
- C. Bargaining unit employees may apply for any posted vacant position. Employees currently working in the job classification or building/workgroup of the vacant position shall be given preference by district seniority provided they are qualified.
- D. If no one in the current job classification or building/workgroup applies for the open position, the employee with the earliest seniority date who is fully qualified to perform the work involved shall fill the vacant position when qualifications and performance are substantially equal with others who sought the vacancy. Where it can be clearly substantiated that an outside applicant or substitute possesses greater qualifications, the District may fill the position with such person.
- E. Employees not selected for a vacant position will be notified by the Human Resources Department within five (5) workdays following the close of the selection process. The notification will state that the employee was not selected for the position and inform them that they can follow-up with one of the interviewers, citing proper contact information, to discuss the District's reasoning. If there has been a bypass of a senior bargaining unit employee in lieu of a more qualified applicant, such notification to the senior employee will also include the reason the employee was not selected for the position.
- F. Employees promoted to a new position may be placed in the position for a trial

period of forty (40) workdays until he/she demonstrates the skills and abilities necessary to assume the position on a permanent basis. After a period of twenty (20) working days, the employee may determine that the placement is not appropriate and may elect to be returned to the position from which they last held. Should the employee remain in the position beyond twenty (20) working days, prior to the completion of the forty (40) day trial period, the administrator/supervisor may determine that the assignment is not appropriate, and the employee shall return to the position they held.

G. If the vacant position cannot be filled by a qualified applicant internally or externally, the District may consider less qualified bargaining unit employees who applied for the position, in seniority order, for training into the position. If the District elects to offer a training opportunity, the following conditions may apply:

1. The employee may have a trial service period. The trial service period shall not exceed six (6) months unless mutually agreed by the District and the Union.
2. The trial service period may include a training plan with learning achievement goals.
3. If the supervisor determines that the trial service period has been unsuccessful, the employee shall return to a position in their prior job classification, if available. If a position in their prior job title is not available, they shall be placed into the layoff recall pool.

Section 15.5.2 Spring Assignment of Hours. Principals/program managers will begin drafting a mock schedule for the coming school year taking into account the preferences and building/workgroup seniority of the instructional assistants, qualifications and program needs. A senior instructional assistant who has requested a preference of hours shall not be assigned fewer hours than a less senior instructional assistant. Principals/program managers will meet individually with members to discuss the draft assigned schedule at the earliest possible time, but before the end of the current school year.

Prior to the beginning of the school year, as soon as practicable, basic allocation hours will be determined by the principal/program manager and assigned to the employee currently holding those hours, regardless of seniority. If the instructional assistant holding those hours does not wish to continue with those hours, they will first be offered to other qualified instructional

assistants at the site in seniority order.

If there are less than four (4) hours that are not selected by the building instructional assistants, the principal/program manager will assign those hours equitably beginning with the least senior person. If there are four (4) hour or more not selected, they will be posted as a vacant position.

Section 15.5.3 Assignment of Additional Hours. When time is added to a building or program the principal/program manager will first notify the employees in the affected program/classroom in order of seniority.

Those interested shall notify the principal/program manager of such interest. The additional time will be offered first to the employee in the affected program/classroom and then, to the employee with the most building/workgroup seniority provided that person is qualified and available, and student and program needs are met.

Time assigned through this procedure shall not be considered continuing hours for the purpose of assigning hours for the coming school year if such time is assigned after October 15th, assigned due to a class size remedy, or other conditions of a temporary nature. This provision shall not apply if such time is assigned from the building preference pool.

If a disagreement occurs over the time assigned and cannot be resolved through informal discussions between the Union and the District, the issue may be subject to the grievance procedure in this Agreement.

Section 15.5.4 Assignment of Technical Support Specialists (TSSs). The District shall provide TSSs a minimum of fourteen (14) calendar days' notice prior to changes to any technical support school year assignment changes. This notification requirement does not apply to school breaks nor does it apply to temporary changes due to coverage of absent employees.

- B. If building/program needs or the qualifications of an employee do not permit the reduction of the least senior employee's hours, the reduction process will continue from the next least senior employee until the number of hours lost by senior employees has been offered to those employees.

- C. If, after this process, an employee has been reduced below four (4) hours they may, at their option, elect to be identified as laid-off and enter into the layoff and recall procedures. Employees have five (5) workdays in which to make the decision to be laid-off and such decision shall be final.
- D. If, after this process, an employee has been reduced to zero hours they shall be deemed to be laid-off and shall enter into the layoff and recall procedures.
- E. An employee who is reduced in hours shall be placed in a building/workgroup preference pool for the following year, ending after the Initial Assignment of Hours procedure has been completed.
- F. During the period the building/workgroup preference pool is in effect, if any additional hours become available, they shall be offered to employees in the building/workgroup preference pool in compliance with Section 15.5.3, Assignment of Additional Hours, in building/workgroup seniority order, until those employees are made whole for the hours they were reduced. Employees who refuse the additional hours shall be removed from the building/workgroup preference pool.
- G. The District shall notify an employee reduced through this procedure that they have been reduced, utilizing the "Initial Assignment of Hours Preference Form" in Appendix C. Such notification shall include:
 - 1. The employee's current assigned hours.
 - 2. The employee's current continuing hours.
 - 3. The number of hours the employee has been assigned.
 - 4. The number of hours they are eligible from the building/workgroup preference pool.

- Qualified, for the purposes of this section, shall mean previous experience, demonstrable abilities, the ability to train into a position within a reasonable period of time, or training, as determined by the District and does not result in a promotion.

Section 15.7.4 Layoff Procedure:

- A. The District shall schedule a special Labor/Management meeting at least sixty (60) days prior to implementing paragraph 3 below of this layoff procedure when a district wide

reduction in hours may result in one or more employees being laid-off. During the Labor/Management discussion the District shall specify the need for the reduction of staff and the severity of the reduction. At this meeting the District shall provide the Union with the following information:

1. Updated seniority lists (District and Building/Workgroup)
 2. Documentation to support the necessity for the reductions
 3. Plan of action, including the timelines the District is considering
- B. Prior to implementing A3 above of this procedure, the Union shall have the opportunity to call a follow-up Labor/Management meeting to discuss alternative solutions to the layoff, or solutions that may lower the impact of such a layoff.
- C. Employees will be laid-off by:
1. The reduction in hours procedure for the IA workgroup, provided that the District may elect to perform a layoff through section 3(b) of this procedure at their discretion.
 2. Classification in inverse order of district seniority for all workgroups other than IA's. Those with the lowest seniority will be the first selected.
- D. An employee selected for layoff may displace the most junior employee in another building/workgroup, by district seniority, for which the senior employee is qualified and which does not result in a wage increase. In lieu of displacing a junior employee, a senior employee identified for layoff may elect layoff. When employees are identified for layoff from buildings they shall be ordered on a list (Bumping Pool) with the District in order of District seniority. The District shall identify the number of employees that will be laid-off and develop a list of lowest District seniority employees (Bumping List). Those employees in the Bumping Pool may select a job from a junior employee on the Bumping List or elect layoff and such selection/election shall be in writing.
- E. Employees who are laid-off or placed in a different workgroup will be placed in a recall pool for up to one (1) year.

Section 15.8.1 Recall Procedure

- A. Employees, when notified they will be placed in the recall pool, shall be given the recall form to fill out, see Appendix C. The form shall request current contact information, including: address, phone number, alternate contact name and phone number (if necessary). The form shall also state the employee is required to notify the District of any changes or additional contact information if they will be absent more than five (5) calendar days. Included on the form shall be a request for the geographic region that a laid-off employee will accept for recall, see C(2) of this procedure.
- B. Employees in the recall pool shall retain accrued sick leave, vested vacation rights, district seniority and building/workgroup seniority. Employees shall not accrue additional benefits or rights while in the recall pool unless they are working in a bargaining unit position outside of their original workgroup.

C. Employees who are placed in the recall pool shall be ordered by District seniority and shall be offered open positions in the bargaining unit in that order, provided they are qualified.

1. Employees offered a position of less than four (4) hours may decline such offer without loss of recall rights.

2. Employees may select the geographic region to which they may be offered recall. The employee may select all of the regions or any combination of regions as identified on the recall form. An employee who refuses recall to a position within a region they selected more than once shall be removed from the recall pool.

D. The District will first attempt to contact persons selected for recall by telephone followed by a confirming letter. If not successful, the District will send notification by certified mail. The individual will have five (5) calendar days from receipt of notification to accept the position. If the employee fails to accept the position in writing within the time limit above it will be assumed that they have declined the position. Written notification from an employee to accept a position, for the purposes of this section only, shall include hand written notes, mailed letters, faxes and e-mails.

E. The District will notify the Union immediately of each individual selected for recall.

Section 15.8.2 Recall Notification. Persons in the recall pool shall be responsible for maintaining their current address and telephone number with the Human Resource office.

Section 15.9 Transfers. Transfers are of two types: voluntary and involuntary. In cases where bargaining unit members' volunteer for a transfer they will lose their current building/workgroup seniority from which they are transferred and start a new seniority at their new building or workgroup. Those bargaining unit members who are involuntarily transferred will retain their former building/workgroup seniority and carry it with them to the new building or workgroup.

This Agreement constitutes the entire Agreement between the parties and concludes collective bargaining for its term; subject only to the mutual written Agreement of both parties to amend or supplement it at any time.

Section 17.2 Severability. In the event that any provision of this Agreement shall, at any time, be declared invalid by any court of competent jurisdiction or through government regulation or decree, such decision shall not invalidate the entire Agreement, it being the express intention of the parties hereto that all other provisions not declared invalid shall remain in full force and effect.
