AGREEMENT BETWEEN
BELLEVUE SCHOOL DISTRICT NO. 405
and
SERVICE EMPLOYEES INTERNATIONAL UNION
LOCAL UNION # 925
WAREHOUSE PERSONNEL

THIS AGREEMENT is by and between BELLEVUE SCHOOL DISTRICT NO. 405, (hereinafter called the "District") and SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL 925, (hereinafter called the "Union").

ARTICLE 1 - UNION RIGHTS

1.1 **Recognition**

The District agrees to recognize the Union as the sole collective bargaining agent for all full-time, part-time, and on-call warehouse personnel with respect to wages, hours, working conditions, and adjustment of grievances arising under this Agreement. However, on-call employees are not covered by the following provisions: Article 4, Disciplinary Action, Article 5, Change of Status, Article 6, Holidays and Vacations, Article 7, Leaves, Article 8, Health and Welfare, and Article 10, Performance Evaluation unless required by law. Article 13, Grievance Procedure, for on-call employees is applicable only to those contract provisions not specifically excluded above.

1.2 **Dues Deduction**

Upon receipt of an individual authorization by a bargaining unit employee, the District shall deduct from the pay of such employee the amount of dues as certified by the bargaining agent to be uniformly required as a condition of membership in the Union and shall transmit the same to the Union each month.

Such authorization will be continuous from one agreement to the next, except in case of termination, resignation, or written notice from the employee cancelling authorization.

Dues deductions authorization by the employee shall be on a form approved by the parties to this Agreement.

SEIU 925 agrees to indemnify and hold harmless from all claims, demands, suits or other forms of liability that shall arise against the District for, or on account, of any membership dues or COPE deduction made from the pay of a bargaining unit employee.

1.3 Voluntary Deduction for Committee On Political Education (COPE)

Beginning each contract year, SEIU 925 shall provide a full and complete list of bargaining unit employees who are current members of SEIU 925 to the District, and shall provide updates, additions, and/or other changes in membership status to the District on at least monthly basis thereafter, or as needed within a bargaining unit. Upon notification of an employee's membership status in SEIU 925 and or election to participation in the SEIU 925 political program (COPE), the District shall deduct union dues and COPE contributions as identified by SEIU 925.

1.4 Pertinent Data - Notification

New and Terminated Employees

1.4.1 The District shall notify SEIU 925 and the SEIU 925 chapter president of all new hires three (3) business days prior to the new hire's orientation first day of work, or as soon as practical, including name, home mailing address, job title, phone number, work email, work location, and hire date.

1.4.2 All Employees

In November of each school year or if requested, the District shall forward to the Union an alphabetical roster of all bargaining unit employees including the employee's name, address, date of hire, job classification, work location, rate of pay and FTE status. This information will be transmitted by hard copy or electronically. The District agrees to make available to the Union upon written request an employee's phone number.

1.5 Building Access

The authorized representatives of the Union shall have access to the District's premises at any reasonable time for the purpose of adjusting grievances, investigating working conditions, or ascertaining that provisions of this Agreement are being adhered to; provided the representatives notify the supervisor of their presence and that they do not interfere with employees in the performance of their duties.

The Union shall furnish the District with the names of its authorized representatives.

1.6 Bulletin Boards

The District shall make available suitable bulletin board space for the exclusive use of the Union for posting notices of its meetings, elections, recreational and social affairs, reports of Union committees, and rulings and policies of the Union. Notices and announcements shall not contain anything political or reflecting adversely upon the District, any of its employees, or any labor organizations among its employees.

1.7 Work Site Representative

The District agrees that the Union will be permitted to appoint work site representatives and Chapter Officers. The duties of the work site representative and Chapter Officer shall not interfere with the regular work assigned to that individual by the District. Under no circumstances shall there be any interference with the orderly processes of the District during working hours.

Employees acting as Union representatives at meetings called by the District shall be released from work duties to attend when such meetings are held during normal working hours. Such meetings and the number of employees to be released from work duties will be mutually agreed to by the District and the Union.

When a work site representative is performing such duties on work time at the request of the District, they shall be treated as if working for the District for pay and benefit accrual purposes.

The Union shall furnish the District with the names of the work site representatives and the Chapter Officers.

SEIU worksite representatives and Chapter Officers covered under the Warehouse Personnel contract shall be allowed paid release time to assist in processing and/or resolving grievances and other issues during regular work hours provided there is adequate coverage for required work.

Not more than two (2) staff members represented by SEIU 925 per bargaining unit shall be released pursuant to this provision at any given time without the written authorization of the District provided to SEIU in advance.

1.8 Union Activity

The Union agrees that activities related to the internal operation of the Union and activities not specifically authorized by the terms of this Agreement shall be performed only during the non-duty hours of the employees unless otherwise approved in advance by the immediate supervisor. Examples of such activities include solicitation of membership, distribution of literature, preparation for negotiations, preparation for unfair labor practice complaints, campaigning for Union office, and preparation of employee grievances.

1.9 Negotiations Committee

A Negotiations Committee may be selected by the Union.

Negotiation sessions will be held at a time mutually agreed to by the District and the Union.

Employees serving on the Negotiations Committee may be released from work duties, with pay, if negotiation sessions are held during their normal working hours.

1.10 Labor/Management Committee

The parties recognize the importance of timely and open discussions between the District and the bargaining unit and its representatives on matters affecting the employer/employee relationship. This Section establishes a procedure for either party to initiate discussions regarding administration of this Agreement and other matters of general concern affecting District conditions of employment.

1.10.1 There is hereby established a Labor Management Committee consisting of not more than two (2) members selected by the Union and a like number selected by the District. The Committee shall meet on an as-needed basis as agreed by the parties but not less than three times a year if requested by either party, for the purpose of reviewing the administration of this Agreement and attempting to resolve problems that may arise. All meetings of the Committee shall start on or after 3:30 p.m., or as mutually agreed by the parties with members of the bargaining unit being granted time off without loss of pay for all regularly scheduled hours not worked. Likewise, the District will not be required to compensate Committee members for time spent after their regularly scheduled hours.

1.10.2 A proposed agenda will be prepared by the convening group and distributed reasonably in advance of the meeting. The agenda for these Committee meetings will be limited to items which are of a group, rather than individual interest or concern. The Committee through its representatives shall write down any outcomes agreed upon at the meeting. If agreed upon in advance by both the Union and the District, either party may have one or more (a small number) of observers attend a given Labor Management Committee meeting. Such observers are not to participate or in any way interrupt the proceeding of the Committee.

1.10.3 The disposition of matters covered in Committee meetings will not contradict, add to, or otherwise modify the terms and conditions of this Agreement. The Committee may make recommendations to the District and Union negotiation teams to amend or modify the terms of this Agreement.

1.11 No-Strike/No Lockout

During the term of this Agreement, the Union and/or the employees agree not to cause or engage in any strike, slowdown, sickout, or other work stoppage. Employees who engage in any of the foregoing actions shall be subject to such disciplinary action as may be determined by the District. Also, during the term of this Agreement, there shall be no lockout of employees covered by this Agreement by the District.

It shall not be a violation of this Agreement for an employee, for reasons of personal physical safety, to refuse to cross the picket line established by a labor organization which holds a labor agreement with the District.

1.12 Mail Services

The Union will have the right to use the District mail services and employee mailboxes provided said use does not violate any federal or state statute and does not require added costs for the District.

1.13 Distribution of the Agreement

This Agreement in complete form will be reprinted, distributed and available electronically by the District to all employees in the bargaining unit and to all new hires.

ARTICLE 2 - MANAGEMENT RIGHTS

The Union recognizes the District's inherent and traditional right to manage its business as has been its practice in the past.

Except to the extent specifically abridged by the express terms of this Agreement, the Union recognizes the right of the District to hire, transfer, promote, demote, assign, and retain employees and to discipline, suspend, or discharge employees for just cause and to maintain the discipline and efficiency of its employees; the right to lay off, or otherwise relieve employees from duty because of lack of work for them to do or for other reasons set forth in this Agreement; the right to establish, change and direct the methods and processes of doing work, to introduce new and improved work methods or equipment, and to assign work to outside contractors; the right to determine the starting and quitting times and the number of hours to be worked; and the right to make and amend such reasonable rules and regulations as it may deem necessary for the conduct of its business, and to require their observance.

The exercise of the District's rights stated herein is an exclusive function of management. However, the exercise of these rights by the District also includes the responsibility of the District to provide employees with an explanation of changes in procedures and causes for disciplinary action.

ARTICLE 3 - CONDITIONS OF EMPLOYMENT

3.1 Definition of Employees

Employees: For the purpose of this Agreement “Employees” shall mean those individuals as described in Section 1.1 who are members of the warehouse bargaining unit.

Full-time Employees: Employees who are assigned for twelve (12) months per year for a minimum of forty (40) hours per week.

Part-time Employees: Employees who are assigned for less than twelve (12) months per year and/or forty (40) hours per week.

On-Call Employees: Employees who are available for employment as needed to cover workload fluctuations, emergency situations, special projects, seasonal work, and long-term substitutes.

3.2 Union Membership

SEIU 925 and the District understand that at the heart of our labor management relationship is the shared interest in providing the best services to the public. A strong and vibrant union provides a true partner in the labor management relationship when disagreement becomes necessary. Therefore, it is the expectation of both the SEIU 925 and the District that the District and all agents and representatives of the District shall remain neutral on the issue of union membership and respect all employees’ decision to join and maintain membership in their exclusive professional advocacy organization, SEIU 925. To that end, all bargaining unit employees shall have the option of joining and maintaining membership in the SEIU 925 upon employment with the District in a bargaining unit.

3.2.1 Union Membership Rescission: Union members requesting to rescind membership and membership rights in their exclusive professional advocacy organization shall make such request in writing to SEIU 925, following the SEIU 925 constitution and bylaws, and any and all relevant conditions, policies, and procedures. Providing such conditions have been met, SEIU 925 shall inform the District of such employee’s non-member status consistent with the notification section of this Agreement, specifically Dues and COPE (Committee On Political Empowerment) Deduction below.

3.2.2 Non-Interference: The District remains committed to its obligations under collective bargaining laws, including chapter RCW 41.56. These commitments include recognition that it would be an unfair labor practice “to interfere with, restrain, or coerce public employees in the exercise of their rights guaranteed by this chapter” or “to control, dominate, or interfere with a bargaining representative.” RCW 41.56.140. The District agrees to reinforce with its

administrators and supervisors and other employees the importance of these obligations.

- 3.2.3 Agency Fee Restoration Contingency: In the event there is a change in law or holding by a court of competent jurisdiction that allow for the withholding of dues or an equivalent fee as a condition of employment, the SEIU 925 and the District agree to restore the union security and dues deduction provisions of the CBA previously in force prior to the ratification of this Agreement.

3.3 Probationary Period

3.3.1 A new part-time or full-time employee to the District shall be subject to a ninety (90) calendar day probationary period commencing with their first (1st) compensated day of employment. The probationary wage is set at ninety percent (90%) of the base wage for years 1-3 as delineated in Appendix A. Upon successful completion of the probationary period, an employee will be moved from the entry level salary to the maximum salary for their position. A new employee who moves to another job title in the District covered by this Agreement before completing their original probationary period in the job for which they were originally hired shall complete the remainder of their original ninety (90) day probationary period.

3.3.2 A new employee to the Bargaining Unit but a current District employee shall be subject to a probationary period of 200 hours worked from the beginning of their employment within the Unit. Upon successful completion of the probationary period, an employee will be moved from the entry level salary to the year 1-3 salary for their position. A new employee who moves to another job title in the District covered by this Agreement before completing their original probationary period in the job for which they were originally hired shall complete the remainder of their original probationary period.

3.3.3 A new on-call employee to the Bargaining Unit but a current District employee shall be subject to a probationary period of 200 hours worked from the beginning of their employment within the Unit. Upon successful completion of the probationary period, an employee will be moved from the entry level salary to the year 1-3 salary for their position. A new employee who moves to another job title in the District covered by this Agreement before completing their original probationary period in the job for which they were originally hired shall complete the remainder of their original probationary period.

3.3.4 Any concerns regarding an employee's performance will be shared with the employee by the supervisor at the time they are identified. During this period, such employee shall be considered as being on trial subject to termination at any time at the sole discretion of the District. Discharge of an employee during the probationary period shall not be subject to the grievance procedure. All other provisions of this Agreement shall be applicable to employees on probation.

3.4 Workday, Work Week, and Work Year

3.4.1 Workday

Employees who are scheduled to work for five and one-half (5 ^{1/2}) or more hours per day shall receive an unpaid lunch period of thirty (30) minutes. For work assignments that are out of district, off-campus, or off-site and are lengthy in duration beyond a normal work period of more than four hours, a district-paid duty-free lunch shall be provided.

Employees shall receive a fifteen (15) minute rest period, as part of the regular workday, for each four (4) hours of work.

The starting and ending times for each employee shall be determined by the employee's supervisor, based on the program and schedule. If the starting and ending times are to be changed, the supervisor will confer with the affected employee(s) prior to implementation.

3.4.2 Work Week

The standard work week for full-time employees shall be five consecutive days, Monday through Friday, consisting of eight (8) hours to be completed within an eight and one-half (8 ^{1/2}) hour period for a total of 40 hours. Part-time employees shall work the hours assigned. Employees may voluntarily work other schedules with the concurrence of the District. This provision shall in no way be construed to restrict the District's right to assign overtime.

It is understood by the parties that for purposes of applying the Fair Labor Standards Act (FLSA) to employees covered by the FLSA, a work week is a seven (7) consecutive day period designated by the employer consisting of twenty-four (24) hours each day. The District's seven-day period begins at 12:01 a.m., Monday, and runs through 11:59 p.m., Sunday.

3.4.3 Work Year

For bargaining unit employees, the number of workdays per year shall be the total number of weekdays (Monday through Friday) available beginning September 1 through August 31 of each year, excluding recognized paid holidays as identified in Article 6 - Holidays. This number shall be confirmed each spring with the Union prior to setting the official work calendar for the ensuing year. This format shall remain in place for the duration of this agreement.

3.5 Overtime/Over Assigned

All time worked in excess of eight (8) hours in a day or forty (40) hours in any one work week shall constitute overtime which shall be paid at the rate of one and one-half ($1\frac{1}{2}$) times an employee's regular rate of pay.

Hours paid for holidays and vacations shall be considered as time worked for the purposes of computing overtime. Effective the first of the month following signing of this Agreement by both parties, hours paid for holidays, vacations, general leave, injury, personal leave, and bereavement leave shall be considered as time worked for the purposes of computing overtime.

There shall be no pyramiding or compounding of overtime pay.

Overtime situations when required for specific jobs, but not related to regular route or normal day to day support requirements that extend for short periods past the scheduled work day, will be offered to all full-time employees with drivers having right of first refusal based upon seniority. If the required number of employees do not volunteer for the overtime requirement, the work will be assigned to drivers in inverse order of seniority.

Although rare, it is understood that there may be times when all employees may be required to work overtime in situations where the overtime requirement exceeds the ability to be covered by less than the entire complement of assigned full time drivers. Every effort will be made to avoid these situations if the work requirement is under the control of the designated District administrator. Every effort will be made to advise employees of potential overtime situations and related manpower requirements and to have the overtime requirement covered on a voluntary basis as noted above. If an employee is involuntarily given an overtime assignment because there are insufficient volunteers and has an extraordinary reason that prevents them from working the overtime assignment, they may be excused on a case-by-case basis upon approval of the designated District administrator.

- 3.5.1 The employee may choose compensatory time (comp. time) to be used instead of receiving the overtime amount, accrued at the same rate as the overtime. Said use shall be coordinated with the approval of the supervisor.
- 3.5.2 An employee who has an FTE position less than full time may choose comp. time to be used instead of receiving regular compensation for any time worked above their regularly assigned hours (over assigned). Over assigned hours worked shall accrue at the regular hourly rate of the employee. Any hours worked in excess of forty (40) hours shall be compensated or comp. time accrued at the overtime rate. Said use shall be coordinated with the approval of the supervisor.

3.6 Call-Back Pay

A minimum of two (2) hours pay will be paid any employee who is called back to work during the regular work week. This pay shall be at the regular rate of pay except in overtime situations in which case the overtime rates would apply.

A minimum of four (4) hours pay will be paid any employee who is called back to work after 6:00 p.m. on a Friday, during the weekend, or on a District recognized holiday. This pay shall be at the regular rate of pay except in overtime situations in which case the overtime rates would apply.

3.7 Higher Job Classification

An employee who is authorized by the designated District administrator or designee to perform the duties of a higher classification will move to the journey rate in that salary classification which is higher than the employee's present salary commencing with the first hour in such assignment and shall continue there until the employee is returned to their regular classification.

3.8 Mileage

Employees authorized to use their own transportation on District business shall be reimbursed at the established IRS rate.

3.9 Uniforms and Safety Shoes

3.9.1 The District will provide uniform shirts to each employee.

3.9.2 The District will provide a clothing stipend of six hundred fifty dollars (\$650) to be paid annually each September, for the purchase of safety shoes and work pants/shorts. Style and color will be determined by the District with input from the employee(s). Clothing must meet required safety standards.

3.9.3 District provided uniforms and safety shoes must be worn at all times in the workplace.

3.9.4 While performing work for the District all employees will wear the photo identification badges as provided by the District.

3.10 Cell Phone Stipend

Employees shall be eligible for a cell phone stipend of fifty dollars (\$50) per month for business use during the regularly scheduled workday.

3.11 Job Description

The District shall develop a job description for each position within the bargaining unit.

Each job description shall be descriptive of the function, scope, and complexity of the job, and the knowledge, abilities, and minimum skills and qualifications required for the position.

Copies of all job descriptions and revisions thereto will be provided to the Union, upon request.

When the District creates a new classification (with the appropriate job description) or materially modifies an existing job description, the appropriate salary range placement will be determined through the negotiation process.

If the responsibilities or duties of a position materially increase or decrease, the supervisor may require that the position be reviewed for possible reclassification. If the reclassification results in the elimination of a position, the reduction-in-force procedures shall apply. If the reclassification results in an upgrade, the incumbent, if any, shall be placed in the upgraded position.

3.12 Rehires

Employees who are rehired shall have the full amount of their longevity reinstated for the purposes of annual leave accrual, if eligible. Upon rehire, any balance of leave for illness or emergency will also be reinstated.

3.13 Nondiscrimination

The District and the Union shall not discriminate against any employees for reasons of race, age, national origin, color, sex, disability, religion, marital status, sexual orientation, or Union membership.

Bellevue School District does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts of America and other designated youth groups. The following employees have been designated to handle questions and complaints of alleged discrimination:

- Civil Rights, Racial Discrimination, and Gender Expression or Identity Discrimination:
Civil Rights/Nondiscrimination Compliance Coordinator Nancy Pham, (425) 456-4040 or phamn@bsd405.org
- Sex-based Discrimination, including Sexual Harassment:

Title IX Coordinator: Jeff Lowell, (425) 456-4010 or lowellj@bsd405.org

- Disability Discrimination:
Section 504/ADA Coordinator: Kerince Bowen, (425) 456-4156 or
bowenk@bsd405.org;

Mailing address for all three: 12111 NE 1st Street, Bellevue, WA 98005.

3.14 Orientation

The District and Union share a mutual interest in support for new employees. Each new employee shall be given an orientation which includes, but is not limited to the following:

- A copy of this Collective Bargaining Agreement and a job description.
- Details regarding hours, location of work, school calendar, and job responsibilities.
- Instruction on permits required to hold position and where to obtain such permits.
- A full explanation of insurance plans and options.
- A personal introduction to supervisory staff.
- Details regarding required qualification courses and training programs.

The District agrees to inform all new employees covered by this Agreement that Service Employees International Union, Local 925, is their exclusive bargaining representative, to provide Union access and opportunity to speak with employees during orientation and will give them a Union membership packet provided by SEIU 925.

3.15 Workload

Workload issues/concerns will first be brought to the employee's immediate supervisor for resolution. If a resolution is not reached, upon request of the Union, a meeting will be scheduled involving the affected employee(s), a Union representative and/or shop steward and the supervisor. The purpose of this meeting will be to seek clarification and resolution of the alleged workload concern. The supervisor will respond to the Union and the affected employee(s) within ten (10) calendar days. This time limit may be extended by mutual agreement of the parties. Issues not resolved at this level may be the subject of a Labor Management Committee meeting upon request of the Union.

This provision shall not be subject to Article 13, Grievance Procedure.

3.16 Safe and Civil Work Environment

The District and Union share a commitment to supporting all staff in the workplace, establishing and maintaining a safe and civil environment in all district facilities and schools. The District and Union commit to working collaboratively to promote an environment free from harassment and incivility. The District shall follow all policies and procedures that ensure a safe work environment. All employees shall be trained on specific policies and procedures to ensure they are aware of their rights to a safe and civil workplace, including steps they can take to report a violation or address concerns within the workplace.

ARTICLE 4 - CORRECTIVE ACTION, DISCIPLINE AND DISCHARGE OF EMPLOYEES

The District shall have the right to discipline or discharge an employee for just cause. “The issue of just cause shall be resolved in accordance with Article 4 hereinafter provided”. Whenever the District has reason to correct the actions or behaviors of an employee, the correction shall be done in a reasonable manner which, whenever possible, will avoid embarrassment of the employee before other employees or the public.

The District and Union believe in the concept of Corrective Action – actions taken by the District to change the behavior of an employee. Corrective action does not automatically result in discipline but rather is focused on changing the behavior of employees to improve their conduct. Corrective action may include verbal counsel, letters of direction or disciplinary actions, including letters of reprimand, suspension, and termination.

The correction or discharge of an employee by the District shall be administered on the basis of just cause. “Just cause” means that definition as contained in Washington state and federal law, and includes, the following criteria:

1. Did the District inform the employee of the disciplinary consequences of rule violations, performance deficiencies, or misconduct?
2. Was the rule reasonably related to the orderly, efficient, and safe operation of the District’s business?
3. Prior to administering discipline, did the District make an effort to discover whether the employee did in fact violate or disobey a rule or order of management, or whether the employee failed to meet mutually-understood expectations of performance?
4. Was the District’s investigation conducted in a fair and objective manner?
5. Did the District obtain substantial evidence from the investigation to prove that the rule had been violated or that the employee failed to meet mutually-understood expectations of performance?
6. Did the District apply its rules, orders, and penalties in an evenhanded manner, so as not to discriminate against any employee?

7. Was the severity or degree of discipline reasonably related to (1) seriousness of the employee's offense, and (2) the record of the employee's service with the District?

Generally, corrective action shall be progressive in nature. If the alleged or perceived violation is minor without similar or related history or other additional concerns, the employee's immediate supervisor shall address the matter in an informal advisory counsel with the employee. The employee may attend this informal counseling on their own, or may request that a union representative be present. The supervisor may document advisory counseling in the supervisor's records, but any matter resolved at this level shall not be a part of the employee's personnel file.

Corrective action shall consist of the following steps.

1. Informal counseling with employee. The supervisor may document but no written corrective action to the employee is required.
2. Letter of Direction – Provides written direction for future conduct. A letter of direction is not disciplinary and shall be limited to copies to the supervisor and employee. Letters of direction are not part of the disciplinary record unless there is subsequent misconduct that results in disciplinary action. Any issue that resulted in verbal counseling shall not be considered in a letter of direction after 18 months since the time of the verbal counseling.
3. A written reprimand. Such action shall remain in the employee's official personnel file for a period not to exceed two (2) years. At the end of the two (2) year period, should no further misconduct related to the reprimand occur, the employee may have the reprimand removed from the official personnel file.
4. Suspension. Should behavior related to the infraction reoccur during the two (2) year period during which a letter of reprimand is in force, the employee may be subject to suspension.
5. Termination. Should behavior related to the infraction reoccur during the two (2) year period during which a letter of reprimand and previous suspension have occurred, the employee may be subject to termination.

Discipline documents involving serious misconduct (suspension or termination) shall not be subject to removal from the employee's personnel file unless the Union and District mutually agree and retention of the documents is not required by law.

In the event of serious misconduct, Progressive Discipline steps may be circumvented. Serious misconduct may be subject to suspension or termination if the proven offense falls under the category of insubordination, gross misconduct, or flagrant disregard for clear and well-publicized District policies, including but not limited to sexual harassment, bullying, and/or harassment on the basis of race or other protected categories. The District may choose to place the employee on administrative leave with pay or temporary reassignment while a complete investigation of the infraction is conducted. The union will also be notified when an employee is placed on administrative leave or temporary reassignment.

Any employee being suspended or terminated shall be entitled to a full and complete written notification stating the precise reasons for the disciplinary action. Upon request, the affected employee will be entitled to a meeting with the appropriate District personnel to: (a) present the employee's side of the story, and (b) ask any clarifying questions to determine the reasons for the action taken.

Upon request, an employee may have a representative of the Union present during any disciplinary action. When a request for such representation is made, and a Union representative is not available, any disciplinary action will be postponed for a maximum of one (1) workday to afford an opportunity for a Union representative to be present.

The off-duty activities of employees shall not be the cause for disciplinary action unless said activities are detrimental to the employee's ability to function in the job.

ARTICLE 5 - CHANGE OF STATUS

5.1 Seniority

An employee's seniority shall be defined as an employee's continuous length of service in the bargaining unit. Seniority shall begin from the employee's most recent first day of compensated work within the bargaining unit. Seniority dates will be adjusted for leaves, consistent with the provisions of Article 6, and for all days when on layoff status.

An employee's seniority shall be broken so that no prior period of employment shall be counted, and their seniority shall cease upon:

Justifiable discharge; voluntary termination; layoff or leave of absence exceeding twelve (12) months or failure of an employee to work upon recall from an indefinite layoff.

In the event an employee accepts a position with the District outside the bargaining unit, bargaining unit seniority established at that time will be restored if the employee returns to the bargaining unit within one year or less.

5.2 Position Openings

Notices of position vacancies which occur within the bargaining unit shall be posted on the District website. For internal only vacancies, only District employees shall be considered.

All job openings within the bargaining unit shall be advertised for a period of ten (10) working days before such openings are filled.

An employee who wishes to apply for a job opening must notify the Human Resources Department in accordance with specifications on the advertisement.

The District, at its discretion, may recruit and advertise for applicants for the job classification of Truck Driver such that applicants may be required to have a Commercial Driver's License (CDL) at time of hire or may be given up to sixty (60) calendar days after the date of hire in which to obtain their CDL. If a candidate is hired without a CDL and does not obtain a CDL as directed by the District, said employee will be terminated by the District within his/her first sixty (60) calendar days of employment for this reason. Such a termination shall be considered a probationary termination and shall be processed pursuant to the terms of Section 3.3, Probationary Period, of this Agreement.

5.3 Filling Position Openings

Job openings will be filled by the District based on the seniority, experience, skills, ability, qualifications, and other relevant factors of the applicants for the position. The District shall be the sole judge of experience, skills, ability, qualifications, and other relevant factors, provided such judgment is not arbitrary and capricious.

In addition, the District shall consider the requirements and intentions of laws and regulations concerning equal employment opportunity and affirmative action programs in filling job openings.

5.4 Reduction in Force

Selection of which employees in a class are to be laid off shall be made in inverse order of their seniority. Those with the lowest seniority will be first selected.

To the extent allowed by law, the order of reduction will be in conformance with and may be impacted by the District's affirmative action policy.

5.5 Recall

The most senior qualified employee for the position opening will be reemployed, subject to the District's affirmative action requirements as identified above. This provision shall not allow the District to hire from outside the pool of laid-off employees as opposed to recalling a qualified employee, to address affirmative action needs.

Employees shall be eligible for recall for one (1) year following layoff. A laid-off employee must return to work within seven (7) calendar days after receipt of written notice from the District at their last known address appearing on the District's record, unless granted a written extension by the District.

5.6 Voluntary Termination

Each employee shall give the District at least two (2) weeks' notice of their intention to terminate. The District will direct its contracted benefits administrator to provide the employee with notice of any eligibility for benefits following termination. Failure of the employee to give such notice shall not constitute a breach of contract by the Union.

If an employee is absent for three (3) consecutive workdays without notifying the District as to the reason for their absence, then said employee shall be considered as having voluntarily terminated. An employee may be reinstated without penalty if in the judgment of the Human Resources administrator, there were extenuating circumstances which made it impossible to notify the District as to the reason for the absence.

A written statement may be requested by the District from a licensed health care provider which verifies the employee's ability to return to work.

Employees absent from work due to illness or injury compensable under the District's self-insured industrial insurance shall be allowed to use their available vacation and/or general leave up to the amount of their earned credit consistent with State workers compensation provisions. Any overpayments shall be returned by the employee.

granted in increments of two (2) hours, with an understanding that most personal leave requests of two (2) hours may not result in substitute coverage for the absence. Preapproval shall be required for the use of personal leave except as designated in 7.1.4.2. Requests for personal leave shall be submitted to the employee's supervisor no later than ten (10) business days prior to the date of the requested leave.

The District designated supervisor shall be responsible for in-service training conducted for all truck drivers and warehouse employees. The focus of such training will be topics identified by warehouse personnel or management as applicable to the job responsibilities of the employees. Such in-service training may be conducted during the summer, on non-student days during the school year or by scheduled overtime.

ARTICLE 13 - GRIEVANCE PROCEDURE

13.1 Purpose

The purpose of this procedure is to provide a means for the orderly and expeditious adjustment of grievances of employees.

13.2 Definition

A grievance is a claim by an employee and/or the Union that the express terms of this Agreement have been violated or misapplied by the District.

13.3 Procedure

An employee may institute a grievance on their own or may request the assistance of the Union. The proper procedure for pursuing adjudication of alleged grievances is as follows:

Informal Step

Prior to filing a grievance at Step One, the grievant shall first meet with their supervisor to try to resolve a potential grievance. The employee may ask a union representative to be present at the meeting.

STEP ONE

If the grievance cannot be resolved informally, within thirty (30) calendar days of the time a grievance arises, the grievant will commit the grievance to writing on a Grievance Review Request form, sign it, and submit it to their immediate supervisor. This written grievance shall include: 1) the nature of the grievance; 2) the section(s) that allegedly have been violated or misapplied; and 3) the recommended solution to the grievance. A copy of the Grievance Review Request form shall also be sent to the designated Human Resources representative.

Within fourteen (14) calendar days after receipt of the written grievance, the supervisor shall communicate their written response to the grievant and the Union.

STEP TWO

If the grievant is not satisfied with the resolution at Step One, they may, within fourteen (14) calendar days after receipt of the written response from Step One, submit the grievance to the designated Human Resources representative. The designated Human Resources representative or their designee shall meet with the grievant in an effort to resolve the grievance within fourteen (14) calendar days after receipt of the grievance at the second step.

Within fourteen (14) calendar days after the grievance meeting, the grievant or their designee shall communicate a written response to the grievant and the Union. At the conclusion of Step Two, either the Union or District may request voluntary mediation in an attempt to resolve the grievance. Both parties must agree to mediation. In the event mediation occurs, the parties agree to suspend the timelines for submission to Step Three should there be no settlement at mediation. The parties will select an agreed upon mediator, which may utilize the Public Employees Relations Commission or another accepted entity. The parties will evenly split the cost of the mediator, if any and bear their own costs and expenses for mediation. Should the parties reach an agreed upon mediated settlement, the grievance shall be considered resolved.

STEP THREE

If the grievance is not satisfactorily resolved at Step Two, the Union may, within fourteen (14) calendar days after receipt of the written response in Step Two or failure to reach a mediated resolution, the Union may submit the grievance to the American Arbitration Association for arbitration under their voluntary labor arbitration rules and within the following guidelines.

- a. The arbitrator shall limit their decision strictly to disputes involving the application or interpretation of the express terms of this Agreement. The

arbitrator shall have no power to change, alter, detract from, or add to the provisions of this Agreement.

- b. The arbitrator's decision shall be final and binding on the Union, the employees involved, and the District.
- c. The fees and expenses of the arbitrator shall be shared equally by the District and the Union. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other.

13.4 Time Limits

The number of days within each step is the maximum, and every effort shall be made to expedite the process. Failure on the part of the District to act within the time limits will move the grievance to the next step automatically. Failure of the grievant or the Union to comply with any time limits specified in this procedure shall constitute withdrawal of the grievance. The District and the Union may mutually agree in writing to extend the time limits at any one of the steps.

ARTICLE 14 - AFFIRMATIVE ACTION

It has been and continues to be the policy of the District to provide equal employment opportunity to all applicants and employees without regard to race, color, religion, national origin, disability, age, sexual orientation, marital status, or sex. This policy is intended not only to assure compliance with applicable federal and state laws and regulations concerning affirmative action and equal employment opportunity, but to actively promote equal employment opportunities toward the end of enhancing the educational program of the District.

It is the intent of this policy that efforts be made to identify and eliminate any evidence of existing discriminatory practice, and further, that efforts be made to prevent future discrimination.

ARTICLE 15 - LIABILITY INSURANCE

The District shall provide insurance coverage protecting an employee against any claim for injury to person(s) or damage to any property, other than school property, arising out of their employment.

Protection shall be provided to an employee in the event that a claim is made for such things as driving the District's vehicles (including driver training cars), detention, malicious prosecution, libel, slander, and other so-called personal rights. Such coverage shall be applicable up to a total limit of five million dollars (\$5,000,000) for any one occurrence; provided, however, an exception to this would be while the employee is using the employee's own automobile, or some

other automobile not owned by the District in connection with their employment. In this case, coverage thus extended would provide employees covered under this Agreement with the same protection as provided for the District as a whole, its Superintendent, administrators, and the Board of Directors.

ARTICLE 16 - SUBCONTRACTING

The Union recognizes that subcontracting out District warehouse operations (receiving, storing, issuing and shipping supplies, material and equipment at the main district warehouse), and the use of District trucks for deliveries of supplies/equipment and materials directly from the warehouse to District destinations and intra-District transfers/pick up of centrally managed, surplus and other equipment/material/supplies to District and non-District destinations (if requested from a District customer and/or approved or directed by management) are subject to the provisions of RCW 28A.400.285.

Therefore, when the District is considering contracting out work performed by bargaining unit members, the District agrees to notify the Union and to follow the process set forth in RCW 28A.400.285 and the related regulations of the Office of the Superintendent of Public Instruction. This includes the conduct of a feasibility study to be developed in consultation with the Union prior to any decision being made.

If the District should transfer, subcontract, or otherwise change the operation of the delivery and warehouse service such that it is operated by any other party, the District will make a reasonable effort to have the transferee or subcontractor offer employment to employees displaced by this transaction.

Management has the inherit right to determine when, where, how and what supplies/equipment/material will be procured, delivered, stored, and disposed of for District use and purposes.

Notwithstanding unforeseen adverse financial impacts from legislative action or levy failure, it is not the intention of the District to reduce the number of full-time warehouse personnel for the duration of this agreement.

ARTICLE 17 - UNSAFE VEHICLES

An employee will not be required to drive any vehicle which is not in a safe operating condition. In the event the employee should discover a vehicle to be defective, they must immediately notify their supervisor in writing.

The employee will be notified in writing that the reported defective conditions have been examined and determined to be in safe condition.

The supervisor or their designee shall have the final authority to determine whether a vehicle may be safely operated.

ARTICLE 18 - SAFETY REVIEW COMMITTEE

The District shall recognize a Safety Review Committee which shall be comprised of an established number of members appointed by the Union and the District. The purpose of the Safety Review Committee shall be to make recommendations to the District for providing safe working conditions throughout the District.

Recommendations by the Safety Review Committee shall be utilized in the formulation of work rules pertaining to safety.

ARTICLE 19 - ENTIRE AGREEMENT

The parties acknowledge that during the negotiations resulting in this Agreement, each had the unlimited right and opportunity to make demands and proposals to any matter deemed a proper subject of collective bargaining. The results of the exercise of that right are set forth in this Agreement. Therefore, the Union unqualifiedly and specifically waives the right, and agrees that the District shall not be obligated, to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge of the parties at the time of execution hereof. This Agreement constitutes the entire agreement between the parties and concludes collective bargaining for its term.

ARTICLE 20 - CONDITIONS OF THE AGREEMENT

20.1 Severability

In the event that any provisions of this Agreement shall, at any time, be declared invalid by any court of competent jurisdiction or through government regulations or decree, such decision shall not invalidate the entire Agreement, it being the express intention of the parties hereto that all provisions not declared invalid shall remain in full force and effect.

20.2 Duration

This 2025 - 2028 Agreement and its attached Memorandum of Understanding shall be in full force and effect from September 1, 2025 through August 31, 2028. This beginning effective date applies to all provisions of this Agreement except where the express terms of a specific provision of this Agreement provide otherwise.

20.3 Modification

This Agreement may be modified only with the written consent of both parties.

The parties have executed this Agreement this September 22, 2025.
